

Energize Your Office With Folgers®

Folgers makes staying alert at work easy. With Folgers' proprietary Filter Packs you don't need to stock filters and coffee separately. Simply pop the all-in-one filter into your brewer. Minutes later your employees will enjoy a pot of aromatic, rich tasting mountain grown coffee to jump start their day. Each filter pack makes one pot (10 6-oz cups) of coffee.

Buy one case and get one free up to \$100.00 between February 2 and April 30, 2010!
