

WANTED

Your old printer or copier

Your Reward:

\$500 credit on a new
Xerox® ColorQube®

Find out how you can get color costs per copy starting at less than a penny with the technology of the Xerox® ColorQube®. Solid ink is simple to use, produces stunning color print quality, and it's good for the environment. When you partner up with McGarity's, we'll even give you a \$500 trade-in credit on your old printer or copier (and we'll rustle the old one off for you).
